

Year 3 Homework: Be an ADVENTURER!

(to be completed by Wednesday 24th April)

As preparation for our next topic *Cycling around the world*, we'd like you to go on a 'microadventure' during your Easter holidays!

"A microadventure is an adventure that is short, simple, local, cheap - yet still fun, exciting, challenging, refreshing and rewarding."

(Alastair Humphreys)

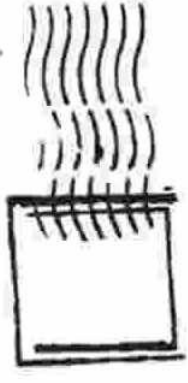

Tell us all about your experience in a postcard with as much detail as possible. Add drawings or photos on the front. Make it work to be proud of as it will go into a class collection for everybody to enjoy!

Here is a list of ideas from the National Trust list of '50 things to do before you're 11 3/4'.
Have fun!
