

Outdoor Learning

In our story: Let's find Fred. Fred goes to a Panda party.

Go into your garden, to the park, around your house or on your walk and see if you can make some music for the Panda Party.

For example:

- You could bang, scrape, rub, tap.
- make grooves into a stick to make a rasp. Pass a stick over it to make a sound
- Collect branches and logs of varying sizes and play like a xylophone
- rub a stick up and down a pine cone
