

## **Year 6 Newsletter Autumn 2020**

### **Welcome back!**

Our first week back has gone very smoothly and it is wonderful to back in school together. We would like to say a big thank you to our Year 6 children who have returned to school so cheerfully and so positively. Great start everyone!

Here are a few reminders:

- PE days : Monday and Wednesday. Please wear your PE kit and trainers to school on these days.
- Please remember a named water bottle. (We are not sharing water fountains at the moment.)
- Parents' evenings for Year 6 are Monday 21st (late) and Wednesday 23rd (early) September. Please sign up for a slot.

Homework will be set on the Year 6 Blog. It will be posted on Wednesday. The learning from the homework will be followed up on, in school, on Monday e.g. learn a set of homophones at home, and on Monday you will be asked to put them into sentences at school. Each week, there will be a Mathematics and English activity. We will be focussing on key skills and knowledge. Securing these skills and knowledge at home will support the children with their new learning at school.

We would also like the children to read regularly at home. In year 6, we expect children to have enough stamina to complete chapter books and to have read a good variety of books e.g. novels, poetry, non-fiction.

Children will be eating their packed lunches in their classrooms.  
The two Year 6 classes will take turns to have lunch first.  
Whereas children who have school lunch will be part of the  
whole school rota.
