What a Wonderful World

By Betty

I see sky of blue and snow of white too
I see them smile for me and you
And I think to myself, what a wonderful world

I see grass of green, and sun of yellow
The bright sunny day, the dark spooky night
And I think to myself, what a wonderful world

The colours of the rainbow, so pretty in the sky
Are also on the faces, of people going by
I see people saying hi, saying good morning
They're really saying, I love you

I hear babies laugh, I watch them cry
They make me happy, when they are near
And I think to myself, what a wonderful world
And I think to myself, what a wonderful world

Oh Yeah!
