

1st School Council Meeting

11th October 2017

1. Who we are

We all introduced ourselves and tried to learn new names quickly. Mrs Jähnigen took our photos for the display board in the Nature Garden. Now you know who we are and can put a face to our names.

2. Class council book

We now have a school council folder and class council book as a way to communicate between class and School Council.

3. KS1 and KS2 boxes for Quiet Zones

We tidied the boxes (that School Council had provided with raised funds) to decide which equipment needs replacing. We'll ask for your opinion in Class Council for any new ideas.

ACTION POINTS FOR CLASS COUNCIL:

- Keep School Council book and folder safe in your tray.
- Carry out survey in Class Council about which equipment children want in KS1 and KS2 Quiet Zone boxes.
- Take notes during Class Council to bring back to School Council.

OTHER ACTION POINTS:

- Mrs Jähnigen to do School Council display in entrance hall.

NEXT SCHOOL COUNCIL MEETING:
