

Thank you for finding some super minibeasts to help me defeat Wizard Lizard and Servant Crow. I need to know more about my new team. I am super long and super strong. Long and strong are adjectives, describing words that give more information about a character (or place or object). Write some sentences with adjectives to describe your super minibeast.

Remember to 'think it, say it, write it, read it' when recording your sentences. Use your sounds mats to help with phonics and think about where finger space and full stops need to go. I am looking forward to reading about my new super friends!

Note for parents and carers:

Before starting any writing, chat with your child about their super minibeast. Help them to identify the adjectives that they are using to describe their character and give them some ideas. Model putting the adjectives into sentences that follow the structure of 'Superworm is super long'.

Your child might focus on colour descriptions and will need you to help them with suggestions of other adjectives. We have a put a word mat with some ideas on the school website.
