

Ely St John's Primary School

Year One Bulletin

6th June 2025

In Phonics this week, the children have learnt about using -er and -ing at the end of words. Please encourage your child to complete their Home Learning Activity – thank you.

Your child has been given a final QR code, which should direct you to the last set of words. Next week, your child will participate in the national Year 1 Phonics Screening Check, and a copy of their results will be included in their end-of-year report. Thank you for your support with these at home.

As the weather is likely to be sunnier, please send your child to school with a sun hat. We are unable to apply the sun cream to your child, so we recommend that this be applied before school. The children can reapply their own during the day if required.

There have been reports of several near misses due to children riding their scooters and bikes in the playground. Please ensure that your child rides their scooter or bike only after leaving the school grounds.

In Art, the children used clay this week. They learnt about and developed several skills including rolling, pressing, flattening, smoothing and scoring. Next week, they will be creating a small nature-inspired sculpture.

Have a great weekend!

The Year One team
