

# 8th School Council Meeting

## 5th July 2017

1. First we delivered letters to our school's neighbours to apologise in advance about the noise from our 25 Year Anniversary party on 14th July. We all enjoyed being postmen and postwomen. Thank you to Mrs Brown for helping us.

2. Then we celebrated our final meeting with juice, crisps and fruit. Yummy!

3. We prepared our end of year assembly ready for Wednesday 19th July. We want to tell everybody about the important job of a school council representative to encourage others to apply next year.

4. Finally we counted the money we raised during 'Buy an extra playtime'. We counted £155.55! Thank you all for supporting us.

### ACTION POINTS FOR CLASS COUNCIL:

- School council members to run an assembly on Wednesday 19th July.
- Mrs Jähnigen to prepare slide show for final assembly.
